

**Walk 9**  
**Venables Hut**  
**10 Kms**

**Easy**

*A stunning, picturesque drive along the river*

Take Wee Jasper Road and then travel along Lacmalac Road & Goobarragandra Road for approx. 22kms past the Hume & Hovell Track/Thomas Boyd Trackhead camp area and after another 5kms Rock Flat Camp area, a fabulous picnic/swimming spot. Continue 1km through an entrance which looks like the end of the road, but is a public road (Elm Grove Mountain Retreat).continue to Macs Crossing, where the road crosses the river and where you can park the car.

Take the trail to the left past a farm house– not the track on the right up the hill.

Walk 4.5kms to the locked gate and a further 500m to the hut.

*Mac's Crossing*

**Walk 10**  
**Landers Creek Falls**  
**12 Kms return**

**Medium/Hard**

Drive along Snowy Mountains Highway for approx.50.7kms. Turn off the highway on right at Cumberland Trail & drive 4.7 km to carpark (if you have a 4WD and the gate is open, which is closed in winter & bad weather).

Walk 1km to the first viewing platform

Walk a further 1km to second viewing platform – spectacular waterfall and views

**Walk 11**  
**Yan's Crossing**  
**5 Kms return**

**Medium**

Drive along Snowy Mountains Highway for approx 63.6kms and cross over Yarrangobilly River at Yarrangobilly Village Campground. Continue 1.4km and the entrance to the start of the fire trail on the right.

Drive 500m to the gate and park the car.

Walk continuously down hill until you reach Yarrangobilly River

*At Yan's Crossing*

**Walk 12**  
**Vickery's Hut**  
**4 Kms return**

**Medium/Hard**

Drive along Snowy Mountains Highway for approx.50.7kms. Turn off the highway just past the Cumberland Trail turnoff. Walk 0.4km along Prosses Trail and then turn to the left. Go down about 2kms and cross Jounama Creek to Vickery's Hut. Steep walk coming back up the hill on the return trip

*NB: you will have to walk through a creek and should not be attempted after heavy rain.*

**12 WALKING TRACKS**  
**IN THE TUMUT REGION**  
**FROM RIVERGLADE**  
**CARAVAN PARK**

*From Landers Creek Falls 2nd viewing platform*

### Walk 1

#### Tumut Wetlands

2 Kms return (loop)

Easy

From Riverglade Caravan Park (Site 21) take the dirt path along the Tumut River and wind your way along the river and lagoon.

### Walk 2

#### Tumut River Walk

4 Kms return

Easy

From the entrance to Riverglade Caravan Park, just near the Tumut Valley Canoe Club, walk along the sealed path going under Wee Jasper Road and meander along the Tumut River to the Tumut Turf Club. Stop in here at Harvest café. Along the walk veer off to the Labyrinth, duck pond, children's playground & BBQ area.

*NB: Bila Park is a leash-free dog area with Amenities*

### Walk 3

#### Jounama Creek

4 Kms return

Medium/Easy

Drive along Snowy Mountains Highway for approx. 40kms to Talbingo (on right), instead of turning right to Talbingo take gravel road on the left off the highway.

Drive in about 1km and leave your car. The walk starts at the camping area 500m off the highway.

From the camping area walk 1km to the end of the gravel road where the walk begins. It runs parallel to the creek and ends at a large pool.

Follow the road and water pipe up to where the Talbingo water supply comes from – great views

**Please note:** Whenever walking in the region you must take appropriate precautions: plenty of food and water, layers of warm/waterproof clothing, even in Summer. You can hire a Personal Locator Beacon (PLB) from Tumut Visitor Information Centre.

**Please install the "Emergency" App on your phone**

*For more information please contact Tumut Bushwalkers Club, Mr Ron Pearce 04399 91632 or Tumut Visitor Information Centre 02 69 477025*

### Walk 4

#### Blowering Cliffs Walk

8.5 Kms return

Medium/Hard

*Fabulous views over Blowering Dam and the Dam Wall*

Drive along Snowy Mountains Highway for 16kms and turn left at the Log Bridge Creek turnoff. Travel along a sealed road 500m & park the car just before crossing the bridge.

Blowering Cliffs Walk is approx. 3 hours return with good views over Blowering Dam.

*The Blowering Cliffs tower above the track*

### Walk 5

#### Old Mountain Road Walk

4 Kms return

Medium/Easy

Drive along Snowy Mountains Highway for approx. 40kms past the Talbingo turnoff on the right, continue past this turn off and start climbing a winding road for approx. 5kms. You'll come across an RTA stockpile on the left of the highway (do not stop halfway up at the first Old Mountain Road sign as this is the middle of the track). The first part of the walk provides excellent views of the Bogong peaks and Jounama Creek valley.

After about 2kms the track turns sharp right and descends 350m in altitude to Jounama Creek. Turn left at the creek and walk along the Jounama Creek.

### Walk 6

#### Miller's Hut

4 Kms return

Easy

Drive along Snowy Mountains Highway approx 96kms and turn right onto Long Plain Road then turn right onto Port Phillip Fire Trail.

Cross the Murrumbidgee River and when you get to the next creek crossing park the car and walk south approx. 1km. A foot pad goes south for about 2km – return the same way.

Follow the western side of Bally Creek, cross another small creek and up through the trees you'll find Miller's Hut (about 1km from Port Phillip trail)

### Walk 7

#### Cliffords Fire Trail

Medium

Drive for 25kms along Snowy Mountains Highway, park at Hume's Crossing on the right (signposted). Walk back across the highway and follow the track up across open grassland and into woodland.

After the first hill you'll see a beautiful hidden valley with creek lines and the trail keeps going heading up into the mountains with views over Blowering Dam.

### Walk 8

#### Warogong Sugarloaf Walk

11 Kms return

Medium

Drive along Snowy Mountains Highway approx. 16kms to the turn off on the left and park the car. Walk approx. 2kms where the path branches to the right and takes you to a lookout on Bald Hill.

Further along the track there are extensive views over the Tumut valley to the north and Blowering Reservoir to the south west.

*NB: the walk includes some steep sections*
